

# INCLUSION, DIVERSITY, EQUITY AND ACCESS (IDEA)

## Mission

To cultivate a culture of inclusive excellence where inclusion, diversity, equity and access serve as the foundation for our medical care, education, innovation and research efforts.

## Vision

To be the most welcoming health care asset in the region.

## Strategic Overview

Diversity and inclusion efforts celebrate differences, unique talents and qualities that contribute to the success of the enterprise. They are integral elements to ensure we are recognized as the region's most valued health care asset.
